

# BJBE Young Family Earth Day Event

CELEBRATE THE EARTH!!!

Join us on April 18<sup>th</sup> from 10 – 11:30 am to help practice Tikkun Olam – repairing the world – and celebrate Earth Day as a community.

We will have all kinds of fun projects that focus on the “three R’s”

**REDUCE --- REUSE --- RECYCLE**

Bring your family and participate in these and other great projects:

- Plant a windowsill herb garden for the residents of Gidwitz Senior Center (**please bring your own two-liter bottle for planting**).
- Participate in our book exchange – bring books you think someone else would like to read and go home with some new ones for yourself
- Decorate a “Charity Chest” to hold items in your house awaiting donation. **Please bring a large plastic bin or cardboard box (20 gallon size or similar)** – we will supply the decorations.

\$5 per Family
