### **Instructions for ‘My Families Names and Their Meaning’**

Fill in all the English/Hebrew names possible on the tree chart.

Pick one side of the tree chart for each side of the family or separate as you feel appropriate. No two Jewish families are the same!

Please add great grandparents in the extra grandparent spaces.

If there extra spaces, please add aunts, uncles or other family members to our Name history.

If you know the English meaning of a name, add it to the chart.

Please return this to class with your child on October 31.

If you do not know the meaning, that is OK, please leave it blank and you can use our Jewish Naming Dictionaries with your child on October 31 to complete this Family History.
