

BJBE CHILDREN'S PROGRAMMING

Children's programming during the High Holy Day Services has been a BJBE tradition for many years. Our programming includes prayer, music, stories and art, and is taught by our own experienced BJBE teachers and teaching assistants. Juice and a healthy snack are provided. *No food from home may be brought into the classrooms.*

For early Erev Services on Rosh Hashanah and Yom Kippur, children's programming is available for children between the ages of 24 months and third-grade.

For Traditional daytime Services, children's programming is available for children between the ages of 24 months and third-grade. Your third-grader may attend either Traditional Services or children's programming.

For L' Dor Vador daytime Services, children's programming is available for children between the ages of 24 months and kindergarten. Your kindergartner may attend either the L' Dor Vador Services or children's programming.

The fee is \$18.00 per child, per service, whether for the Traditional Service or the L' Dor Vador Service. Walk-in registration is \$25.00 per child, space permitting. The fee is non-refundable.

Please return this form with your payment to the temple office by Friday, August 21, 2015.
